## School Nutrition Employee Week – May 7-11, 2012

You Make A Difference!

Next week, **May 7 – 11, 2012** is School Nutrition Employee Week. This is a great opportunity to recognize and celebrate the people that make the school meals programs a success. The School Nutrition Association has provided information and resources for recognizing school nutrition employees at:

[http://www.schoolnutrition.org/Level2\\_SNEW2012.aspx?id=16922](http://www.schoolnutrition.org/Level2_SNEW2012.aspx?id=16922).

## FF&VP Selection Process for SY 2012-2013 Update

The selection process is well underway for NC's elementary schools that will be chosen to participate in the USDA Fresh Fruit and Vegetable Program (FF&VP) for SY 2012-2013. The North Carolina State Board of Education will "approve" the school selections at their **June 2012** meeting *instead* of their May 2012 meeting as originally scheduled. As a result, schools that applied will be notified in writing if they were selected, or not, by mid-June 2012 instead of mid-May 2012. If your district had a school(s) to apply, thank you for making a note of this and sharing the update with school administrators and others.

If anyone has any concerns regarding the schedule change, please e-mail Zoe McKay-Tucker at [zoe.mckaytucker@dpi.nc.gov](mailto:zoe.mckaytucker@dpi.nc.gov) for assistance.

## Farm to School Grants

The Healthy, Hunger-Free Kids Act of 2010 (HHFKA) established a Farm to School program in order to assist eligible entities, through grants and technical assistance, in implementing farm to school programs that improve access to local foods in eligible schools. To fulfill the farm to school mandate in the HHFKA, effective October 1, 2012, \$5 million will be provided to the United States Department of Agriculture (USDA) on an annual basis to support grants, technical assistance, and the Federal administrative costs related to USDA's farm to school program.

For contacts information, additional details about the Farm to School program or if you are interested in apply for a grant please review the program summary sheet and or you may visit the USDA website at: <http://www.fns.usda.gov/cnd/f2s/> .

**\*\* REMEMBER** – Anytime the 10<sup>th</sup> falls on a weekend the actual due date for the claim for reimbursement is the next business day which is usually Monday. In the event that the following Monday is a holiday then the due date moves to the next business day. With that said, the CN Technology system is programmed to flag any reimbursement submitted after the 10<sup>th</sup> with the “10 day” error message (Error Code 1401). The NCDPI Child Nutrition section and the Claims section are fully aware of this and the Claims department will automatically override that error message for any claims submitted in this time period. **NOTE:** This also applies to the Fresh Fruit and Vegetable Program for which the claim for reimbursement is due on the 15<sup>th</sup> of each month.
